Please use the following descriptions to help us locate your skiers at the start of each act: Main Dock, Behind Main Dock, Barge Left, Barge Right, Beach start, Stage, Deep water Left, Deep water Right, etc.

If same act includes different skiers, please indicate as start of new boat. If tandem start or staggered start, please indicate. For montage or big act please include what type of act (swivel main dock, shoe skis deep water left, jump kicker ramp).

Please include things such as your ballet will dance before barefoot comes through etc. If you have 2 acts going at the simultaneously please indicate (will we need two separate camera angles at the same time to catch the full act?)

The more we know the better you look!
